Info:

Filewile are back with a **fresh take** on their signature **leftfield Pop** song, this time round with less **Dub** and **more Funk**.

What starts off as a **Folk song** with a **nod to Chinese movie scores**, soon evolves into an **electric Funk** tune, reminiscent of Prince and George Clinton, with a sparse and **groovy rhythm section**. The **strong groove** is enhanced by the interplay of the beat with **Joy Frempong's** rhythmic vocals.

Tracklist:

1. You Say I (Radio Edit) 3:07
2. You Say I (Original Version) 3:25
