Switzerland	Print	Neue Luzerner Zeitung	Album Review		5.10.2009	Mit der neuen CD ist von einem interessanten Projekt zu einer knackigen Band geworden: Das Berner Produzenten-Duo Dustbowl und Dejo hat mit Sängerin Joy Frempong und Bassist Mago Flück ein mit Dub und Space getunktes Pop-Hop-Album kreiert. Der Sound entstand meist mit analogen Instrumenten, was der Musik Dringlichkeit und Tiefenschärfe gibt. Gut gepolstert, mit starken Basspuls, vielseitiger Stimme und urbaner Aufgedretheit.
Switzerland	Print	Bieler Tagblatte	Album Review		17.10.2009spacig und elektrisierend, gespickt mit Effekten aus einem Science-Fiction- Film der Siebziger.....Ein Berner Produkt mit globalem Charme.

Switzerland	Radio	Radio 3fach	Album of the Week		19.10.2009	Die beiden Berner Produzenten Dustbowl (Andreas Ryser) und Dejet (Daniel Jakob) haben auf dem neuen Album poppigere Töne angeschlagen. Zudem holten sie die Zürcher Sängerin Joy Frempong ins Boot. Vor Allem beim Überhit "Number One Kid" findet diese Zusammenarbeit ihren Höhepunkt. Doch auch die anderen Tracks mögen zu überzeugen - Space Dub made in Switzerland
